Introduction

If this report by The Telegraph had been published in early 2021, **several million lives would have been saved.**

But in 2021, censorship was imposed. Honest journalism was silenced. The media was supportive of the fear campaign.

The Telegraph report by Science Editor Sara Knapton, 5 June 2024 pertains to:

*Researchers from The Netherlands analysed data from 47 Western countries and discovered there had been more than **three million excess deaths since 2020**, with the trend continuing despite the rollout of vaccines and containment measures.*

Covid jabs may be to blame for increase in excess deaths

Experts call for more research into side effects and any possible links to mortality rates

By Sarah Knapton SCIENCE EDITOR

COVID vaccines may be partly to blame for a rise in excess deaths since the pandemic, scientists have suggested.

Researchers from the Netherlands analysed data from 47 Western countries and discovered there had been more than three million excess deaths since 2020, with the trend continuing despite the rollout of vaccines and containment measures.

Experts said the "unprecedented" figures "raised serious concerns" and called on governments to fully investigate the underlying causes, including possible vaccine harms.

Writing in *BMJ Public Health*, the authors from Vrije Universiteit Amsterdam, said: "Although Covid-19 vaccines were provided to guard civilians from suffering morbidity and mortality by the Covid-19 virus, suspected adverse events have been documented."

"Both medical professionals and citizens have reported serious injuries and deaths following vaccination to various official databases in the western World."

They added: "During the pandemic, it was emphasised by politicians and the media on a daily basis that every Covid-19 death mattered and every life deserved protection through containment measures and vaccines. In the aftermath, the same should apply."

The study found that in Europe, Australia and the US there were more than one million excess deaths in 2020, at the height of the pandemic, but also 1.2 mil-

lion in 2021 and 800,000 and 2022 after measures were implemented.

Researchers said the figure included deaths from Covid-19, but also the "indirect effects of the health strategies to address the virus spread and infection".

They warned that side effects linked to the Covid vaccine have included ischaemic stroke, acute coronary syndrome and brain haemorrhage, cardiovascular diseases, coagulation, haemorrhages, gastrointestinal events and blood clotting.

German researchers have pointed out that the onset of excess mortality in early 2021 in the country coincided with the rollout of vaccines which, the team said, "warranted further investigation".

However, more recent data regarding side effects have not been made available to the public, the experts warned.

Researchers said that it was "likely" that the impact of containment measures, restricted healthcare and socioeconomic upheaval during the pandemic had contributed to deaths, although accepted that was difficult to prove.

Gordon Wishart, chief medical officer at Check4Cancer, and visiting professor of cancer surgery at Anglia Ruskin University, said: "It was predicted early in the lockdown period that limited access to healthcare for non-Covid conditions would lead to delays in the diagnosis and treatment of time-critical conditions such as cancer, cardiac disease, diabetes and dementia and that this would lead to excess deaths from these conditions."

Speaking about the potential for vaccine harm, Mr Wishart added: "The paper provides more questions than answers but, it is hard to disagree with their conclusion that further analysis is required."

Comments and Analysis

From early 2021, coinciding with the rollout of the Covid vaccine, an upward trend in Covid vaccine related deaths has unfolded.

There is an increase in Excess Mortality attributable to the Covid Vaccine.

Ironically, Three years later the mainstream media is now reporting (See Telegraph above) on Covid related vaccine excess mortality.

THIS IS THE UNSPOKEN TRUTH:

Excess Mortality Triggered by the Covid 19 "Vaccine" (2020-2022)

Below is a graph pertaining to **Excess Mortality in Germany (all Causes)**, which points to the Deviation of **Observed Mortality** from **Expected Mortality** (by age group) in 2020, 2021, and 2022.

Notice the upward shift in **excess mortality** in 2021 and 2022 following the rollout of the Covid Vaccine in December 2020. **This tendency is Worldwide.**

Mainstream Media Disinformation

Back in 2021 the mainstream media played a key role in sustaining disinformation regarding the Covid vaccine. It was part of the propaganda apparatus. It was instrumental in sustaining the fear campaign.

The mainstream media also provided legitimacy to a regime of censorship, threats, penalties, dismissals of scientists and scholars at major universities, the firing of doctors and nurses at hospitals "for telling the truth", not to mention the insidious role of "Big Money" foundations in the bribing and cooptation of politicians in more than 190 countries. And much more.

People Worldwide have lived through this crisis. Many lives have been destroyed.

Without media censorship and the suppression of the truth, this crisis would not have occurred.

Does the publication of The Telegraph on Covid vaccine related Excess mortality point to a fundamental change in regards to the mainstream media, namely a tendency towards the lifting of censorship?

We have worked relentlessly on behalf and in solidarity with our respective communities, nationally and internationally.

This crisis affects humanity in its entirety, namely the planet's 8 billion people who are the victims of fake science, fraud and corruption.

Profits in the billions of dollars are the driving-force behind this diabolical agenda.

"Killing is Good Business". What we are witnessing is a crime against humanity on an unprecedented scale, affecting the lives of the entire population of our planet.

The WHO as well as some 190 national governments are complicit in the Covid vaccine roll-out. They had the responsibility of canceling the vaccine.

Concurrently, the media in the course of the last three years, has been spinning the lies on behalf of both the governments and Big Pharma.

The official data pertaining to vaccine related deaths and adverse events is not mentioned.

PFIZER HAS A CRIMINAL RECORD

Of significance, never mentioned by the media or acknowledged by our governments, Pfizer is the only Pharmaceutical Company which has a criminal record with the US Department of Justice.

BEWARE OF THE CONSPIRACY THEORIES

The BBC accuses alleged conspiracy theorists, of stating that the Covid vaccine is 'not safe'.

"In recent years there has been a growth in online conspiracy theories, which suggest vaccines like the Covid jab are dangerous or ineffective.

Mr Ward said he's "worried that people may believe the conspiracy theories".

But he insists "they are just that, they're just conspiracy theories. What I'm going on is the facts".

He said: "All of the international evidence is that the vaccines we give out in the UK are safe, they are highly effective and they'll protect you from some really horrible diseases."

At the same time, the BBC describes the SARS-CoV-2 virus as being involved in:

A conspiratorial "hit and run killer evolutionary tactic" [SIC]

(See BBC, James Gallagher, October 22, 2020)

Criminality at the Level of the Entire Planet

Some 14 billion doses of Covid vaccine have been administered Worldwide, 1.75 doses per person for a World population of 8 billion.

Had the media truthfully reported on the nature of the Covid vaccine and its devastating impacts, millions of lives would have been saved.

At this juncture, with the exception of Africa, 75% of the World population has already been vaccinated. **There is no moving backwards.**

The governments and national health authorities in cahoots with Big Pharma were fully aware from the very outset that **the Covid-19 "vaccine" was conducive to an upward trend in mortality and morbidity.**

Doctors for Covid Ethics issued a broad statement in July 2021 based on the data of EudraVigilance, (EU, EEA, Switzerland), MHRA (UK) and VAERS (USA):

"more deaths and injuries from the COVID-19 "vaccine" roll-out than from all previous vaccines combined since records began."

The signal of harm is now indisputably overwhelming, and, in line with universally accepted ethical standards for clinical trials, Doctors for Covid Ethics demands that the COVID-19 "vaccination" programme be halted immediately worldwide.

Continuation of the programme, in the full knowledge of ongoing serious harm and death to both adults and children, constitutes Crimes Against Humanity/Genocide, for which those found to be responsible or complicit will ultimately be held personally liable.

The Pfizer Confidential Report

Another important document which was available to national health authorities in the US, was the "confidential" report by Pfizer. This report which was made public under freedom of information (FOI) in October 2021 is a bombshell.

For further details see: Michel Chossudovsky,

Pfizer's "Secret" Report on the Covid "Vaccine". Beyond Manslaughter. The Evidence is Overwhelming. The Vaccine Should Be Immediately Withdrawn Worldwide

The vaccine was launched in mid-December 2020. By the end of February 2021,

“Pfizer had already received more than 1,200 reports of deaths allegedly caused by the vaccine and tens of thousands of reported adverse events, including 23 cases of spontaneous abortions out of 270 pregnancies and more than 2,000 reports of cardiac disorders.”

The data collected from mid-December 2020 to the end of February 2021 unequivocally confirms “Manslaughter”.

*Based on the evidence, Pfizer had the responsibility to immediately cancel and withdraw the “vaccine”. **Murder as opposed to Manslaughter implies “Criminal Intent”**. From a legal standpoint it is an **“Act of Murder”** applied Worldwide to a target population of 8 billion people.*

The Worldwide Corona Crisis, Global Coup d’Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”

Reviews

This is an in-depth resource of great interest if it is the wider perspective you are motivated to understand a little better, the author is very knowledgeable about geopolitics and this comes out in the way Covid is contextualized. —Dr. Mike Yeadon

In this war against humanity in which we find ourselves, in this singular, irregular and massive assault against liberty and the goodness of people, Chossudovsky’s book is a rock upon which to sustain our fight. —Dr. Emanuel Garcia

In fifteen concise science-based chapters, Michel traces the false covid pandemic, explaining how a PCR test, producing up to 97% proven false positives, combined with a relentless 24/7 fear campaign, was able to create a worldwide panic-laden “plandemic”; that this plandemic would never have been possible without the infamous DNA-modifying Polymerase Chain Reaction test – which to this day is being pushed on a majority of innocent people who have no clue. His conclusions are evidenced by renowned scientists. —Peter Koenig

Professor Chossudovsky exposes the truth that “there is no causal relationship between the virus and economic variables.” In other words, it was not COVID-19 but, rather, the deliberate implementation of the illogical, scientifically baseless lockdowns that caused the shutdown of the global economy. —David Skripac

A reading of Chossudovsky’s book provides a comprehensive lesson in how there is a global coup d’état under way called “The Great Reset” that if not resisted and defeated by freedom loving people everywhere will result in a dystopian future not yet imagined. Pass on this free gift from Professor Chossudovsky before it’s too late. You will not find so much valuable information and analysis in one place. —Edward Curtin
